

POWERFUL INSIGHTS IN THE PALM OF YOUR HAND

MAXimize Operations / MAXimize Efficiencies / MAXimize Security
Integrated cloud based solution for multi-site security management

MAXPRO® Cloud

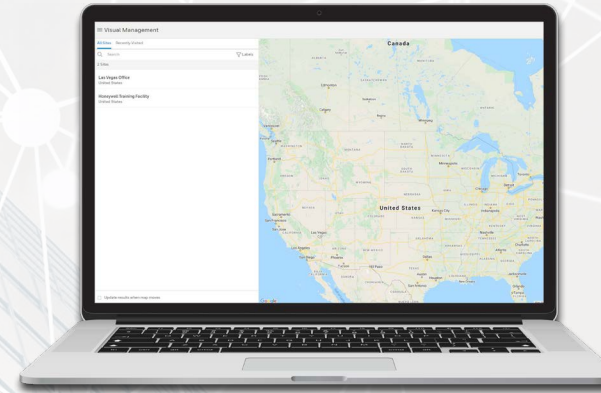

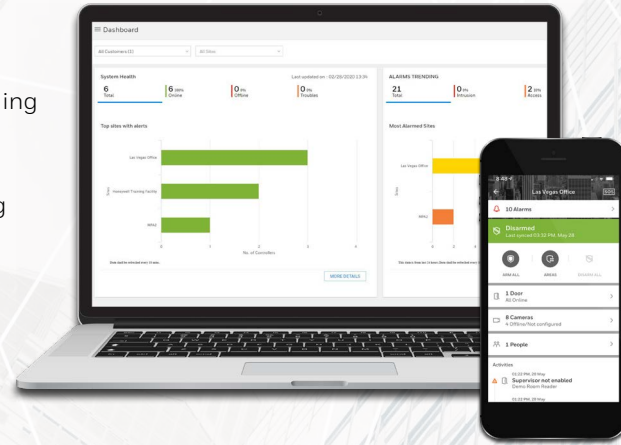

Honeywell

 **Security101**

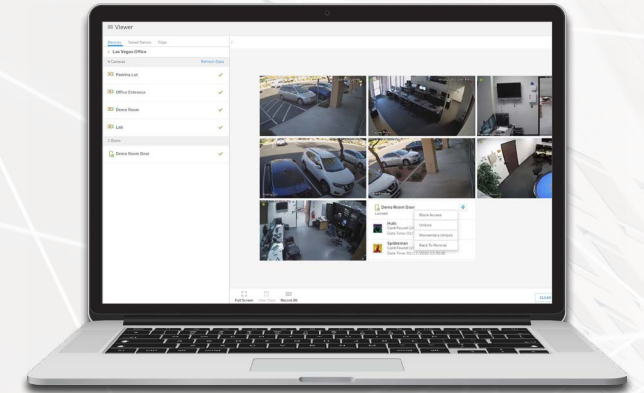

INTRODUCING MAXPRO® CLOUD

Where Smart Security Meets Business Insight

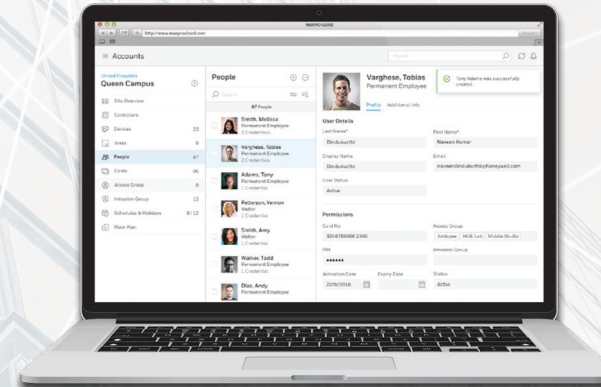

- MAXPRO® Cloud is a Honeywell cloud based integrated connected building platform designed for small-to-medium business customers. It delivers real-time access control, video surveillance, and intrusion detection to any mobile device connecting customers to their buildings and enabling a user to make informed business decisions. Anytime. Anywhere.
- It's more than just a security system, MAXPRO® Cloud is a dynamic business tool that provides actionable insights you can use to improve operational efficiency and drive down costs by providing a fully integrated security solution.

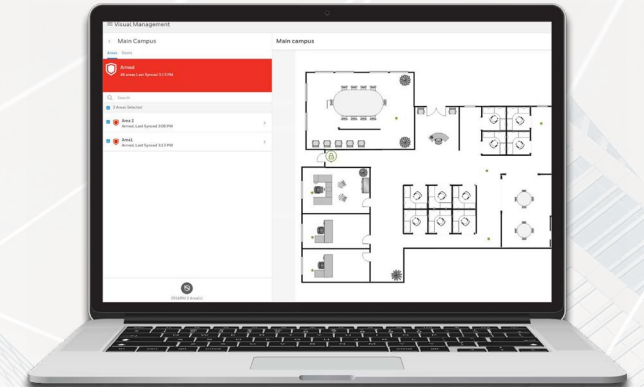

1 Configure, manage and monitor multi-site locations

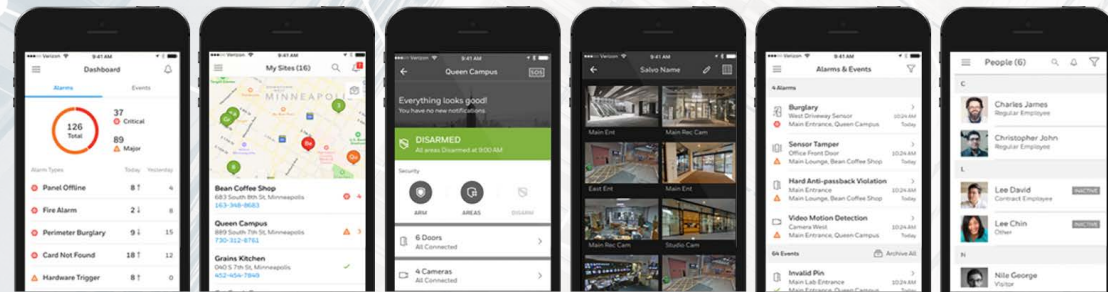

2 Improved multi-site visibility, awareness and security in one integrated solution

3 Manage users, credentials and permission groups across multi-site installs

4 Remote multi-site facility management and operation (Lock, unlock / arm disarm)

Dashboard My Sites Live Controls Viewer Alarms & Events People

ENHANCED OPERATIONAL EFFICIENCY

- Improve operational efficiency and reduce costs across multi-site locations
- Save an estimated 30 minutes per day and up to \$350 per site (Assume 10 sites) per year in manager time and salary
- Save an estimated \$300 in IT costs per site per year

IMPROVED SAFETY & SECURITY

- Reduce false alarm costs
- Reduce internal shrinkage by 50%
- Reduce time to identify an incident

REDUCED COSTS, GREATER VALUE

- Save an estimated \$1,500 in IT infrastructure and maintenance costs
- Drive bottom line profitability
- Minimize inventory shrinkage

ANYWHERE, ANYTIME ACCESS

- Remote multi-site cloud based management and operation
- Reduce personal OPEX
- Save owner, manager and admin time

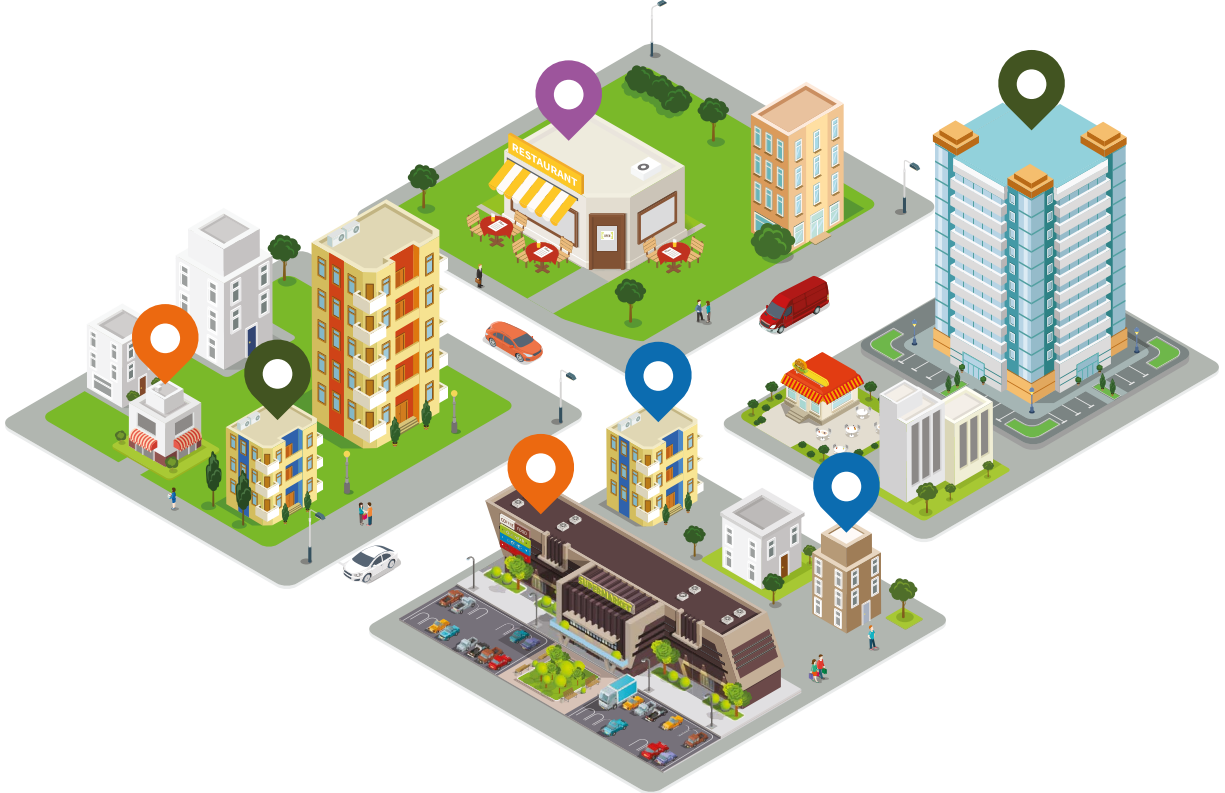

INCREASED FLEXIBILITY & SCALABILITY

- Future proof your investment
- Scales with your business and reduces disparate systems
- Minimize upfront hardware & software investments

A BRAND YOU CAN TRUST

- Reduced maintenance and replacement costs
- Leverage competitive pricing and an expansive network of dealers globally

SIMPLE MANAGEMENT OF MULTIPLE-SITES

-  Property Management / Multi-Tenancy
-  Small Commercial
-  Retail
-  Franchises

Manage all of these across multiple sites and locations

- Tiered system management and control including central, customer and zone management options for Video, Intrusion and Access
- Access control for common doors with zoned / sector access for specific customers or groups
- Intrusion security for whole site, with zones / sectors and individual customer or group management
- Visual verification of events and video monitoring of common areas
- Allocate systems / access as and when needed.
- Simple user friendly management
